

Eclectic Tarot Coffee Mugs - Shipping & Handling

Please read carefully:

All items are sent by **registered mail** with a track and trace code.

The Eclectic Tarot coffee mugs are sent with **Drop Shipping** and **Connected Life Today Shipping**, because the online printing service where I designed them is based in The Netherlands and only ships to countries in Europe. The coffee mugs can be bought directly from the webshop by customers in the countries that are listed below. Shipping to all other destinations is processed manually, and the coffee mugs can be purchased by customers in other countries by sending an email to webshop@connectedlife.today

Please note that the **Shipping & Handling rates** below **allow for a maximum of 3 coffee cups per order**.

If you would like to purchase more than 3 coffee cups you need to place a new order.

If you order more than 3 coffee cups in one purchase your order will be canceled, and the purchase amount will be transferred back to your original payment method.
